Beamsville 4 Paw Animal Rescue is a Charitable organization that operates totally with volunteers from the Community.

It was established in 2003 by Pam Huson, Pam is a Registered Nurse who has had a passion for animals all her life. She has a full time business and rescues and organizes fosters, adoptions, fundraising events in her "spare time".

At that time in 2000, farmers were selling their properties In Beamsville as the town expanded. They were leaving behind their pets. Pam began rescuing them and it has grown to the point today where she rescues 250 cats and dogs a year solely with the help of a dedicated group of volunteers who foster the animals until they are adopted and raise money for Veterinarian bills and food, and work with the dogs and cats to enable them to be adopted easier.

In addition to our "Clean-up the Feral" program, Beamsville 4Paw Rescue works with Cancer Society and Victim Services to re-home their pets, giving them the peace of mind in a tragic situation.

Since 2009 Beamsville 4Paw Rescue has been dedicated in helping our community starting up a "Meals on Wheels" Program for their Pets providing them with Food and Pet Care in our difficult economy times.

Beamsville 4 Paw Rescue is a **NO KILL** animal rescue organization.

We receive no money from any Government Agency. We must rely totally on fundraising and donations.
