Happy New Year!

Another year has arrived and it is time to reflect and to give thanks to everyone that has supported us at Beamsville 4Paw Rescue.

Most of all we would like to thank all our volunteers. You are an inspiration! You have touched the lives of so many of our rescued animals. We truly appreciate your dedication to the animals giving them love, food and shelter and most of all giving up many hours and holidays helping at our fundraisers. I know that it has not always been easy, but your charitable attitude is a positive influence in our community. We are so blessed to have you part of the Beamsville 4Paw Rescue Family. Thank-you!

There is no way to fully express our gratitude to all the people who have made donations either by financial, coming to our events, providing food or pet supplies. Your support has repeatedly played a key role in our success in continuing rescuing our 4-legged Friends. With your faithful contributions over the year, you've demonstrated your deep commitment to our work. Thank-you!

I am extremely grateful to everyone that has adopted one of our rescues and given them a "Forever Home". Many of our rescues have given up on life, living day by day wondering where their next meal would be. When we receive recent photo's of our rescues it always makes me smile. It is only because of your adoption that I we able to continue rescuing. Thank-you!

The world is full of rescue stories and all Pet Lovers will pass on the story to have people read it clinging to the hope that there are good people in the world that dedicate their time, money and tear to animals.

Many times we are asked how we started up Beamsville 4Paw Rescue or wonder how we can do what we do. We are sometimes labeled as "Crazy Cat Ladies" or "Crazy Dog People". Rescuing pets is a unique passion that is filled with tears of sadness and joy. We would like to share some Happy Stories within our own community with you. Rescuing is not just on the Websites, Facebook or a story you get from an email it is in your own community. Every day our volunteers dedicate their time, money and homes to save our local 4-legged Friends.

Please visit our website under "Feel Good Stories" and read about the difference we are making!

We want to make sure all of our new little ones and other abandoned animals are well-cared for. Any way you can help is greatly appreciated from volunteering, fostering, adopting, making a donation or simply by passing along our web site address and sharing our messages with your friends on Facebook. Every little bit counts towards giving all of our animals a happy and safe life!
