Local Feel Good Stories!

Many times we are asked why we dedicate all our extra time and money to rescue...

We have now introduced a "Feel Good Story" Page to our website with a **FEW STORIES** that have touched our hearts and give us the reasons to continue!

Here is a reason. *Billy (Now Chilly), Febuary 2012*

Beamsville 4Paw Rescue was contacted in February 2012 from a concerned neighbor that she was hearing cat cries from an abandoned apartment next to her. The owners of the apartment moved out 4 months ago and have not returned. When one of our Volunteers arrived there was poor Billy all alone with no furniture, his litter box was overflowing, and an old large bag of food open that keep him alive. It did not take long to adopt sweet Billy but he did come with emotional scares of abandonment and other issues. Billy was fearful of any doors closed. (closet, bedroom and even cupboard doors), Billy would wake in the middle of the night and start crying out if he did not see you. It took months and a special person like Leslie to go many nights without sleeping, holding him and keeping doors open but she would not give up on Billy. Today Billy has 2 other siblings and a loving home.
