Local Feel Good Stories!

Many times we are asked why we dedicate all our extra time and money to rescue...

We have now introduced a "Feel Good Story" Page to our website with a **FEW STORIES** that have touched our hearts and give us the reasons to continue!

Here is a reason. *Maggie, February 2012*

They say that the hardest acts of kindness are the deepest kind of love. Sometimes we have to make decision that are not good for us but for our 4-legged friends. Maggie was brought into the Humane Society by the original owners as she desperately had to surrender poor little Maggie, who was only 4 months old at the time. She was going in for an unexpected operation that would remove her legs and maybe her life. The Humane Society couldn't not accept Maggie as they were on strike. One of our volunteers was behind her in line to help walk the dogs, she heard the owner desperation in her voice and offered to find a home for Maggie. The owner started to cry and kissed Maggies head for one last time, took a deep breath and said "Please find a really good home for my baby"?

We have not let her down as Maggie is still in the Beamsville 4Paw Family. One of our volunteer family members (Cheryl and Carl) fell in love with Maggie and have given her a "Forever Loving Home"
