## Pet of the Month!

**Morris**  
Orange Taby  
Mix/Male/Neutered/Shots  
Born: Feb 14th 2014

Morris has been in our system since the winter. Rescued from the cold and starving he has become a loving boy who just wants a warm place to call home. Morris is called the boy mom cat as he lets our kittens try to nurse off him to give them lovings. He is great with all other cats/kittens and people.

## Local Feel Good Stories!

Many times we are asked why we dedicate all our extra time and money to rescue...

We have now introduced a "Feel Good Story" Page to our website with a **FEW STORIES** that have touched our hearts and give us the reasons to continue!

Here is a reason. *Dolly (Our Treasure Box)2012*

After all the years we still are amazed how cruel people can be and how other people can be so thoughtful. Beamsville 4PawRescue was shocked, a cardboard box, taped up with packing tape so no air could circulate, was left on a doorstep. The person who found the box called us as she heard cat cries coming from the box. When we opened the box, it was filled with blood and a pregnant cat. We rushed the cat to the vets as the babies had all shifted to the side and the mother couldn't hardly breathe or stand. There was a 4-inch cut on her side that was about 1/2 inch deep. Someone took a knife and cut her side open to kill her and her babies and left her to die in a box. The mother, who we now call Dolly, was in critical condition.

Looking in Dolly's eyes I only had one choice, "Safe her life and her babies". Waking up every 2 hours, holding her in my arms to feed her and do wound care we created a strong bond. She would grip my arm and lick my hand to say thank-you and I knew then, she was my little Dolly in a "Treasure Box".

On April 2<sup>nd</sup> 2012 – 7:30 pm, Dolly gave birth to 8 healthy beautiful babies (Itzy, Bitzy, Dexter, Sophia, Forest, Hadley, Ellie and Lilly). As I held her wound closed, she gripped my arm and look into my eyes for love during the delivery. I must say it was the hardest delivery for both of us. She was exhausted after giving birth but still came over to me to give me kisses of thanks. [Type a quote from the document or the summary of an interesting point.
