"Saving Gucci's Eyes"

Little Gucci, a precious 3 month old kitten needs your help!

Gucci was given her name after being carried around like a purse ever since she was rescued at the age of 4 days old. Abandoned by her mother, she was brought to Beamsville 4Paw Rescue for a chance to survive.

Born with tumors in her eyes, Gucci lost more than 80% of her vision. This left our little love unable to play, and explore like her playmates. Little Gucci is very loving, affectionate, will steal your heart with her adorable personality, and sweet face. You can't help but smile when you call her name and she runs to you like a trotting horse, putting her paws up to make sure nothing is in front of her.

On December 4th we will be having a our annual fundraiser event at St.Albans Church in Beamsville to raise money for the Surgery that can save Gucci's eye!
