Livingston Animal Hospital is celebrating 10 years in business in 2015. To celebrate and say thanks Dr. Mayanna Burmeister and her staff are holding a series of guest speakers in the coming months. The money raised from this fundraising event will be donated to Beamsville 4Paws Rescue and Adoption.

Over the years, **Livingston** has strived to provide the best preventative care for your family pet. Do not miss out on this opportunity to gain some valuable information. The speakers we have selected are proven experts in both the **traditional and alternative methods of pet care**.
